178 COMPLETE SET OF RARE VIEWS IN AQUATINT, FROM COOK'S THIRD VOYAGE

John Cleveley - 4 Views

John Cleveley [after James Cleveley]. VIEWS IN THE SOUTH SEAS: comprising, View of Owhyee, one of the Sandwich Islands; View of Morea or Eimo, one of the Society Islands; View of Huaheine, one of the Society Islands, showing the Resolution and Discovery at anchor in the magnificent harbour of O Wharre; View of Charlotte Sound in New Zealand. Four very fine hand coloured aquatints [complete] by Frances Jukes, each approximately 45 x 61 cms, the view of Morea with printed frames and title, the others without them as usual, slight marginal repairs, matted framed and glazed. Thomas Martyn 1787-88. The famous set of of views from Cook's third voyage depicting the Resolution and Discovery at anchor in the Society and Sandwich Islands including representation of the death of Cook.

The aquatints are engraved by Jukes from paintings by the artist John Cleveley, apparently from sketches made by his brother James who was carpenter aboard the Resolution. His drawing of the death of Cook is believed to be the most authentic view of the event, as James Cleveley was present and saw the attack take place. The view of Matavi was incorrectly titled View of Charlotte Sound in New Zealand. In the process of preparing these views for a European audience, both landscape and islanders were dignified and presented in accordance with the precepts of classical and compositional artifice a common practice in 18th century voyage art.

Frances Jukes 1747-1812 was an important English engraver and aquatinter, he did much of his work in colour especially his landscape and marine prints which are often very difficult to distinguish from watercolour drawings. The four aquatints after the Cleveley brothers are among his better known works.

387 McCAHON COLIN, BAXTER JAMES K.

Letters & documents

A series of letters and documents relating to James K. Baxter's "The Holy Life and Death of Concrete Grady", the letters are between Bridget Bertram [Oxford University Press] and Colin McCahon regarding the cover he was asked to design, McCahon joyfully accepted in a hand written letter "your letter so pleased me, if I can help I will do this for Baxter and not money..."

Letter 2. he writes 'Herewith my real and true Baxter job - a mix of Salvation army and R.C. feeling rather than thought in both cases. To me this works but my view of James may be very personal and unsuitable....' "boy, the lettering on Runes is awful - I couldn't do worse - sorry ..." Letter 3. "Dear Bridget Bertram Well I wasn't to greatly pleased should I have been. Sometime I will do you the great cover. And when I do it I say what's good on my own and the destruction you made will be paid for. Don't you people know what you do. is there no feeling. I get a bit sick I was dreaming for James K.. I made it for him. You ruined my drawing..." "Those people are a big part of my life and I have been torn. Sometime when I'm less annoyed I might tell you about all this time, you can't know - please forgive me this letter You can't know. Greetings Colin M.C

Letters 4 & 5 are referring to changes made "well it's all done I hope & if not do a straight print job. The filleting looks sad beside the other which could well be done by photo litho. I'm not pleased at all and keep my name out of it...." Letter 5. thanking for payment "We are in the last rites of buying a new house and I'd be happy about any money..." "I will treasure the original drawing meantime will flee to Muriwai for a long weekend..." Letter 6. Final letter - "Cover for Baxter job. OK you have done a variant on what I thought and it's good, let it stick..."

All the letters are hand written on single sheets of paper Letter 5 is on an Inland postcard.

The papers include typescripts and letters between Bridget Bertram, Jacqui Baxter and Father John Weir.

An important literary archive regarding two of New Zealand's greatest artists.

This was first published in America when Ian Cross was a student he approached the publishers, it was accepted immediately and received a warm reception. CONDITIONS OF SALE

Please note: it is assumed that all bidders at auction have read and agreed to the conditions described on this page. ART+OBJECT directors are available during the auction viewing to clarify any questions you may have.

1. Registration: Only registered bidders may bid at auction. You are required to complete a bidding card or absentee bidding form prior to the auction giving your correct name, address and telephone contact + supplementary information such as email addresses that you may wish to supply to ART+OBJECT

2. Bidding: The highest bidder will be the purchaser subject to the auctioneer accepting the winning bid and any vendor's reserve having been reached. The auctioneer has the right to refuse any bid. If this takes place or in the event of a dispute the auctioneer may call for bids at the previous lowest bid and proceed from this point. Bids advance at sums decreed by the auctioneer unless signaled otherwise by the auctioneer. No bids may be retracted. The auctioneer retains the right to bid on behalf of the vendor up to the reserve figure.

3. Reserve: Lots are offered and sold subject to the vendor's reserve price being met.

4. Lots offered and sold as described and viewed: ART+OBJECT makes all attempts to accurately describe and catalogue lots offered for sale. Notwithstanding this neither the vendor nor ART+OBJECT accepts any liability for errors of description or faults and imperfections whether described in writing or verbally. This applies to questions of authenticity and quality of the item. Buyers are deemed to have inspected the item thoroughly and proceed on their own judgment. The act of bidding is agreed by the buyer to be an indication that they are satisfied on all counts regarding condition and authenticity.

5. Buyers premium: The purchaser by bidding acknowledges their acceptance of a buyers premium of 18.5% plus GST on the premium to be added to the hammer price in the event of a successful sale at auction. Please consult the relevant auction catalogue to confirm the premium for each sale.

6. ART+OBJECT is an agent for a vendor: A+O has the right to conduct the sale of an item on behalf of a vendor. This may include withdrawing an item from sale for any reason.

7. Payment: Successful bidders are required to make full payment immediately post sale – being either the day of the sale or the following day. If for any reason payment is delayed then a 20% deposit is required immediately and the balance to 100% required within 3 working days of the sale date. Payment can be made by Eftpos, bank cheque or cash. Cheques must be cleared before items are available for collection. Credit cards are not accepted.

8. Failure to make payment: If a purchaser fails to make payment as outlined in point 7 above ART+OBJECT may without any advice to the purchaser exercise its right to: a) rescind or stop the sale, b) re offer the lot for sale to an underbidder or at auction. ART+OBJECT reserves the right to pursue the purchaser for any difference in sale proceeds if this course of action is chosen, c) to pursue legal remedy for breach of contract.

9. Collection of goods: Purchased items are to be removed from ART+OBJECT premises immediately after payment or clearance of cheques. Absentee bidders must make provision for the uplifting of purchased items (see instructions on page four.)

10. Bidders obligations: The act of bidding means all bidders acknowledge that they are personally responsible for payment if they are the successful bidder. This includes all registered absentee or telephone bidders. Bidders acting as an agent for a third party must obtain written authority from ART+OBJECT and provide written instructions from any represented party and their express commitment to pay all funds relating to a successful bid by their nominated agent.

11. Bids under reserve & highest subject bids: When the highest bid is below the vendor's reserve this work may be announced by the auctioneer as sold 'subject to vendor's authority' or some similar phrase. The effect of this announcement is to signify that the highest bidder will be the purchaser at the bid price if the vendor accepts this price. If this highest bid is accepted then the purchaser has entered a contract to purchase the item at the bid price plus any relevant buyers premium.

IMPORTANT ADVICE FOR BUYERS

The following information does not form part of the conditions of sale, however buyers, particularly first time bidders are recommended to read these notes.

A. Bidding at auction: Please ensure your instructions to the auctioneer are clear and easily understood. It is well to understand that during a busy sale with multiple bidders the auctioneer may not be able to see all bids at all times. It is recommended that you raise your bidding number clearly and without hesitation. If your bid is made in error or you have misunderstood the bidding level please advise the auctioneer immediately of your error – prior to the hammer falling. Please note that if you have made a bid and the hammer has fallen and you are the highest bidder you have entered a binding contract to purchase an item at the bid price. New bidders in particular are advised to make themselves known to the sale auctioneer who will assist you with any questions about the conduct of the auction.

B. Absentee bidding: ART+OBJECT welcomes absentee bids once the necessary authority has been completed and lodged with ART+OBJECT. A+O will do all it can to ensure bids are lodged on your behalf but accepts no liability for failure to carry out these bids. See the Absentee bidding form in this catalogue for information on lodging absentee bids. **These are accepted up to 2 hours prior to the published auction commencement.**

C. Telephone bids: The same conditions apply to telephone bids. It is highly preferable to bid over a landline as the vagaries of cellphone connections may result in disappointment. You will be telephoned prior to your indicated lot arising in the catalogue order. If the phone is engaged or connection impossible the sale will proceed without your bidding. At times during an auction the bidding can be frenetic so you need to be sure you give clear instructions to the person executing your bids. The auctioneer will endeavour to cater to the requirements of phone bidders but cannot wait for a phone bid so your prompt participation is requested.

D. New Zealand dollars: All estimates in this catalogue are in New Zealand dollars. The amount to be paid by successful bidders on the payment date is the New Zealand dollar amount stated on the purchaser invoice. Exchange rate variations are at the risk of the purchaser.
